

Muffler & Pipe Guide

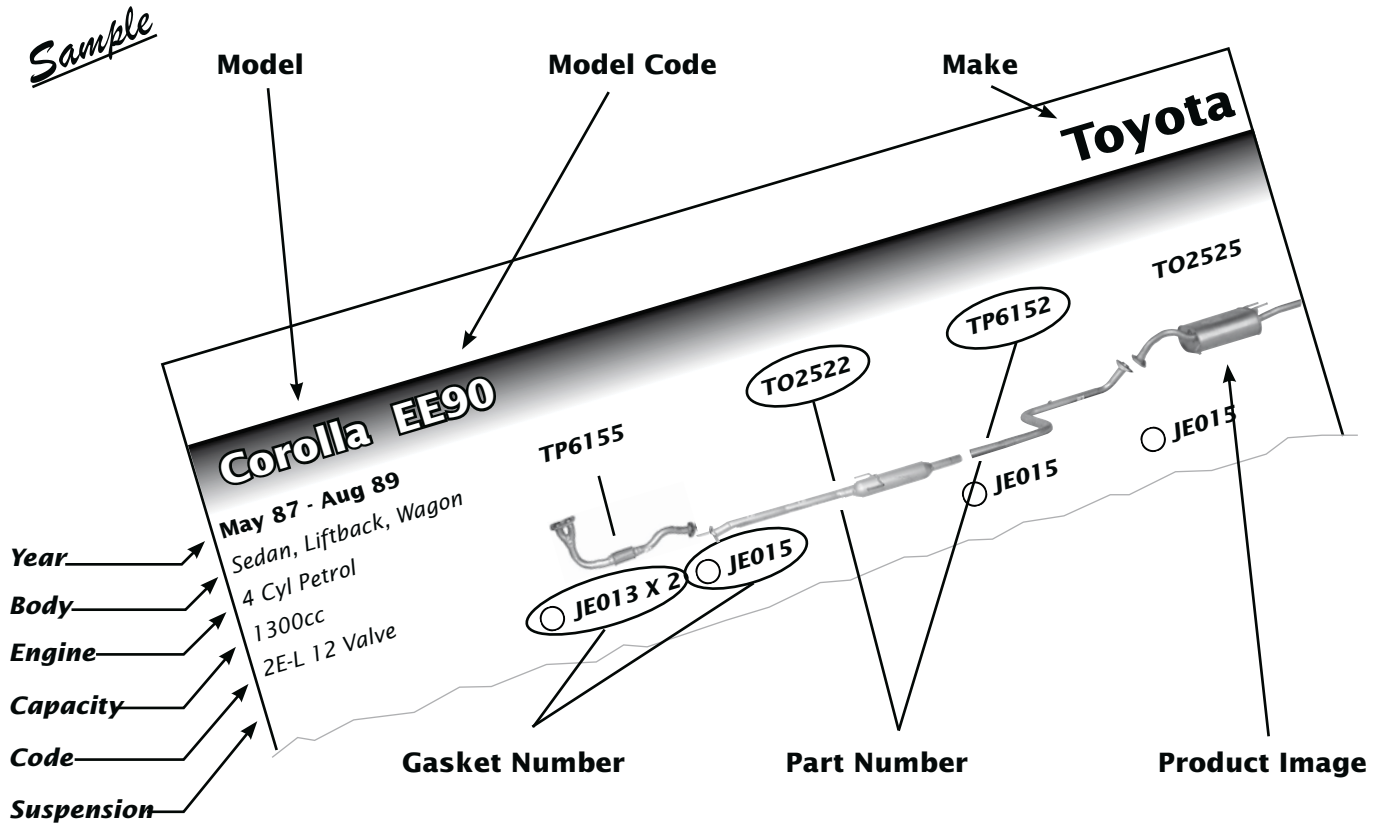

Sample Listing

We have tried to make this catalogue easy to use while containing all the information necessary.

Listing sequence is by manufacturer, model, year, body, engine and then suspension (2WD/4WD), except for Ford and Holden where a new page has been allocated for 4, 6 and 8 cylinder vehicles.

Notes help identify parts or listings especially where the rear muffler fits several models.

Prefix By Vehicle Manufacturer					
AD	Audi/Volkswagen	HP	Holden	MT	Mitsubishi
BM	BMW	HX	Honda	MU	Mitsubishi
CR	Chrysler	HY	Hyundai	MZ	Mazda
DN	Nissan	KI	Kia	PG	Peugeot

DU	Daihatsu	LR	Land Rover	SZ	Suzuki
DW	Daewoo	MO	BMC/Mini	TO	Toyota
FO	Ford	MB	Mercedes	TP	Toyota
FP	Ford	MP	Mazda	VW	Volkswagen
HO	Holden	MR	BMC/Mini		

This catalogue only lists the more common exhaust systems sold in New Zealand and does not include our RAGE performance parts, older vehicles, exotic models or new parts in development.

While every care has been taken in compiling this catalogue Autobend Ltd do not accept liability for any errors or eventuality arising from the use of information contained in the publication.

All parts listed are based on vehicle makes and models sold "new" in New Zealand and no guarantee is given on the fitment or product applications for "used" imported vehicles.

For any model not listed please call our sales office
